Morrison, Christopher B. Brooks, and Frederick G. Gluck. A copy of the ‘313 Patent is attached hereto as Exhibit D.

11. BIAX is the owner of all rights, title and interest in and to the ‘755 Patent, the ‘945 Patent, the ‘628 Patent, and the ‘313 Patent (“ the BIAX Patents”) and is entitled to sue for past and future infringement.

Background

12. The BIAX Patents cover inventions relating to digital processors and digital processing systems.

13. The Defendants have imported into the United States, marketed, sold and/or offered for sale in the United States, products covered by the BIAX Patents.

14 The Defendants have had actual and/or constructive notice and knowledge of the BIAx Patents. The filing of this Complaint also constitutes notice in accordance with 35 U.S.C. § 287. Despite such notice, the Defendants continue to import into, market, sell, and/or offer for sale in the United States products covered by the BIAx Patents.

Count I

15 BIAx repeats and realleges the allegations in paragraphs 1-14 as though fully set forth herein.

16 On information and belief, the Defendants have infringed, contributed to the infringement of, and/or induced infringement of the '755 Patent by making, using, selling, offering for sale, or importing into the United States, or by intending that others make, use, import into, offer for sale, or sell in the United States, products that incorporate the invention of the '755 Patent.

17. On information and belief, the Defendants' infringement of the '755 Patent has been willful. Defendants' continued infringement of the '755 Patent has damaged and will continue to damage BIAx.

18. On information and belief, the Defendants' infringement of the '755 Patent has caused and will continue to cause BIAx irreparable harm unless enjoined by the Court. BIAx has no adequate remedy at law.

Count II

19. BIAx repeats and realleges the allegations in paragraphs 1-14 as though fully set forth herein

20. On information and belief, the Defendants have infringed, contributed to the infringement of, and/or induced infringement of the '945 Patent by making, using, selling, offering for sale, or importing into the United States, or by intending that others make, use,

import into, offer for sale, or sell in the United States, products that incorporate the invention of the '945 Patent.

21 On information and belief, the Defendants' infringement of the '945 Patent has been willful. Defendants' continued infringement of the '945 Patent has damaged and will continue to damage BIAx.

22 On information and belief, the Defendants' infringement of the '945 Patent has caused and will continue to cause BIAx irreparable harm unless enjoined by the Court. BIAx has no adequate remedy at law.

Count III

23 BIAx repeats and realleges the allegations in paragraphs 1-14 as though fully set forth herein.

24 On information and belief, the Defendants have infringed, contributed to the infringement of, and/or induced infringement of, the '628 Patent by making, using, selling, offering for sale, or importing into the United States, or by intending that others make, use, import into, offer for sale, or sell in the United States, products that incorporate the invention of the '628 Patent.

25 On information and belief, the Defendants' infringement of the '628 Patent has been willful. The Defendants' continued infringement of the '628 Patent has damaged and will continue to damage BIAx.

26 On information and belief, the Defendants' infringement of the '628 Patent has caused and will continue to cause BIAx irreparable harm unless enjoined by the Court. BIAx has no adequate remedy at law.

Count IV

27. BIAx repeats and realleges the allegations in paragraphs 1-14 as though fully set forth herein.

28. On information and belief, the Defendants have infringed, contributed to the infringement of, and/or induced infringement of, the '313 Patent by making, using, selling, offering for sale, or importing into the United States, or by intending that others make, use, import into, offer for sale, or sell in the United States, products that incorporate the invention of the '313 Patent

29. On information and belief, the Defendants' infringement of the '313 Patent has been willful. The Defendants' continued infringement of the '313 Patent has damaged and will continue to damage BIAx

30. On information and belief, the Defendants' infringement of the '313 Patent has caused and will continue to cause BIAx irreparable harm unless enjoined by the Court. BIAx has no adequate remedy at law.

Jury Demand

BIAx, Inc. respectfully requests a trial by jury.

Prayer for Relief

WHEREFORE, BIAx, Inc., respectfully requests that this Court enter judgment in its favor and grant the following relief:

- A. Adjudge that the Defendants are infringing the BIAx Patents;
- B. Adjudge that the Defendants' infringement of the BIAx Patents was willful, and that Defendants' continued infringement of the BIAx Patents is willful;

- C. Award BIAx damages in an amount adequate to compensate BIAx for the Defendants' infringement of the BIAx Patents, but in no event less than a reasonable royalty under 35 U.S.C. § 284;
- D. Enter an order trebling any and all damages awarded to BIAx by reason of the Defendants' willful infringement of the BIAx Patents, pursuant to 35 U.S.C. § 284;
- E. Enter an order awarding BIAx pre-judgment and post-judgment interest to the full extent allowed under the law, as well as its costs;
- F. Enter an order finding that this is an exceptional case and award BIAx its reasonable attorneys' fees pursuant to 35 U.S.C. § 285; and
- G. Award such other relief as the Court may deem appropriate and just under the circumstances.

Dated: December 9, 2005
